Scholarship & Financial Aid Policy

Academic Year 2026–27 | Office of Student Welfare

1. Merit Scholarship

The Merit Scholarship rewards academic excellence. A student is eligible if they have scored **85% or above (CGPA 8.5)** in the previous academic year, have no backlog (failed) subjects, and have no pending disciplinary action. Eligible students receive a **50% waiver on tuition fee** for the following year. The top three rank-holders in each programme additionally receive a full (100%) tuition waiver.

2. Means-Based Scholarship

The Means-Based Scholarship supports students from economically weaker families. A student is eligible if the **annual family income is below Rs. 2,50,000**, supported by a valid income certificate issued by a competent authority, and the student maintains at least 60% aggregate marks. Eligible students receive a 30% waiver on tuition fee. This scholarship cannot be combined with the Merit Scholarship; a student receives whichever is higher.

3. Government & External Scholarships

The Institute facilitates State and Central Government scholarships, including the Post-Matric Scholarship for SC/ST/OBC students and the EBC (Economically Backward Class) concession. Students must apply through the MahaDBT portal and submit an acknowledgement to the Scholarship Office (Room 106) by the notified date.

4. How to Apply

The scholarship application window opens in the **first week of each semester** and remains open for 21 days. Applications must be submitted online through the Student Portal, along with scanned copies of the previous year's mark sheet, income certificate (for means-based aid), and category certificate (if applicable). Late applications are not considered.
